Subject: JUNE - FLOTILLA COMMANDERS BRIEF

1. A young Boaters course is now being planned. Date TBA.
2. The National Convention will be held in Orlando, Fla. On August 30-Sept. 1, 2002. There are many interesting workshop and conference. At night, there is a Banquet on Saturday and on Friday, there is Fun Night. We already have a four people from Flotilla 18-06 coming down for the convention. The more, the merrier.
3. TCT training is back. All crew and coxswain and radio watchstanders are required to complete this class every 5 years. The date for the next class is Saturday, 19 October 2002 at Group Moriches at 0900. It is an 8-hour class. Cornell caterers will supply lunch.
4. Division COW is temporarily set for Dec. 8th at the NCO club at the Air National Guard Base in West Hampton Beach.
5. Mandatory Workshop for Operations is done except for a few.
6. AUXDATA is in full swing. You must use the current forms, so all activity may be entered correctly.
7. The Memorial Day Parade went well. I would like to thank Jim Cornell, Donna Ruiz, Greg Sarafin, and Gene Mchugh for their participation.
8. Boat Crew program training is getting a late start due to our boat status.
